

New State and Local Chapter Membership Option

The MBA of Florida and ALL seven of our Local Chapters throughout the state voted to provide a new membership option for companies that would like to enjoy the benefits of membership in all seven chapters at a reduced cost.

This option is designed to save these members money and redundant expense requisitions. MBA of Florida will offer an option to include your corporate membership dues for all seven chapters when paying your state dues at a reduced cost of \$700. This amount is in addition to your State annual dues and will provide for membership to the chapters for the entire fiscal year (July-June). To take advantage of this option, you will need to pay your state dues, and the \$700 bundled chapter dues to the state.

(Savings Example: Using a typical chapter fee of \$200. If you join seven chapters it's \$1,400 but joining all seven with the state dues you pay only \$700. Even four chapters can be \$800 and again joining all seven can save you money and get you more for your membership!)
