## MBA OF FLORIDA AT A GLANCE

**Annual Convention:** Meeting of the membership and others for networking, industry education, with an economic and national update, installation of officers, presentation of awards, including extra fun mixed in, all planned with committee work!

**Eastern Secondary Market Conference & Exhibits:** Strong focus on education related to the secondary market, networking and our vendor showcase, planned with committee work.

**Legislative Advocacy:** Ensures that the initiatives and concerns of the mortgage banking industry are addressed in the Florida legislature with Eric Prutsman in Tallahassee.

**Association Staff:** Staff provides members with day-to-day professional management including a valuable resource of information relevant to the MBAF and important issues within the mortgage banking industry.

**MBA Washington:** Strong partnership with our national association in DC.

**CMB Society of Florida:** The purpose of the CMB Society is to promote the designation, provide support to those seeking the designation, and provide a close social and business network for CMB's within the State.

**Social Media: facebook, Constant Contact, LinkedIn:** Communications and updates on issues facing the mortgage banking industry. Quarterly newsletter keeps association members informed of MBAF activities, news of members, sponsor and member recognition and legislative issues.

**Members Online:** This is a member benefit for access to other professional industry members.

**Membership Classifications:** Financial Institution, Associate, Individual and our Local Chapters.
